## Distributions

- Transferring units may give rise to tax consequences and Platinum recommends that you check the tax implications with your tax adviser before sending us a transfer request.
- Go to [Manage Your Investment](#) for Standard Transfer Form and further details.

- The fund's income and net realised capital gains are distributed to unitholders annually as at 30 June.
- Distribution amounts and components vary from year to year. There may be times when no distribution is payable.
- Distributions are not pro-rated for the duration of your investment during the tax year. If you are a unitholder as at 30 June, you will receive the full distribution for the year.
- Unitholders will generally receive their entitlement (if payable) within 15 Business Days after the distribution date.
- Unitholders may elect to have their distribution entitlement (a) reinvested as additional units in the same unit class of the fund or (b) paid to their nominated bank account. If no election is made, or if the unitholder's bank rejects the payment, distribution entitlement will be automatically reinvested as additional units.
- Additional units will be issued at the net asset value unit price on the relevant Business Day, and the buy spread will not apply.
- Go to [Manage Your Investment](#) for details on how to change distribution election.
