6 Direct Debit Service Agreement

By completing the New Zealand Specific Direct Debit Form ("**Form**") (to establish a new, or amend an existing, Regular Investment Plan), you are authorising Platinum to arrange for the regular debit of a specified amount from your nominated New Zealand financial institution account for subsequent investment in the Platinum Global Fund ("**Fund**"). This Agreement sets out the terms upon which your money will be invested under the Regular Investment Plan.

Regular Investment Plan

- To participate in the Regular Investment Plan you must have initially invested in the Fund.
- You can select a Regular Investment Plan for the Fund. The amount to be debited (per month or per quarter) from your nominated financial institution account must be at least the minimum regular investment amount.
- We will notify you when your direct debit service and Regular Investment Plan has been set-up (including the commencement date of the first debit from your New Zealand financial institution account). In accordance with New Zealand Law, we must give you at least 10 days written notice prior to the commencement of your direct debit service. Therefore, the lead time for establishing your direct debit service and Regular Investment Plan is approximately two weeks.
- For investments made under a Regular Investment Plan, we will debit your financial institution account on the 19th of each month (or on the 19th of a particular month for a quarterly plan). Where the due date falls on a non-Business Day, we will debit the amount on the next Business Day.
- The entry price that will apply to an investment made under a Regular Investment Plan will be based on when we receive your money in the Funds' Australian bank account.
- Your money will be transferred from New Zealand to the Australian bank account at an exchange rate determined by the Funds' bank at the time to be market rate.

Your responsibilities

- You must ensure that your financial institution allows direct debits on your nominated account.
- You must ensure that your financial institution account details provided to Platinum are correct. If you are uncertain, please check with your financial institution before setting up your Regular Investment Plan.
- You must ensure that the authorisation given to us (under the Direct Debit Arrangement) is identical to the signing instruction held by your financial institution where the financial institution account is based.
- You must ensure that sufficient cleared funds are available in your nominated financial institution account by the due date to honour the Direct Debit Arrangement under the Regular Investment Plan.
- You must advise us if you close, transfer or change your nominated financial institution account.

Your rights

- You may stop, defer or suspend your Regular Investment Plan by sending us a signed instruction. We require two full Business Days to process your request (note if we do not receive your notice two full Business Days prior to the 19th of the month, then the change will not take place until the following month).
- You may change your Regular Investment Plan [i.e. the frequency or amount(s) of the direct debit arrangement] by sending us a signed instruction. We require two full Business Days to process your request.
- You may change your financial institution account by completing Section 4 of this Form and sending the original signed copy to us. Owing to the New Zealand banking system, twelve full Business Days is required to process your request.
- You may also be able to stop an individual debit by contacting your financial institution. However, if you do this you may be liable for financial institution charges (the financial institution should have information outlining these charges).
- If you have any questions or concerns about the direct debit terms, such as where you consider that a debit has been initiated incorrectly, please contact investor services on 1300 726 700 (Australia only) or 0800 700 726 (New Zealand only). You may also contact your financial institution. If we conclude as a result of our investigations that your account has been incorrectly debited we will respond to your query by arranging for your financial institution to adjust your account accordingly. We will also notify you of the amount by which your account has been adjusted. If we conclude as a result of our investigations that your account has not been incorrectly debited, we will respond to your query by providing you with reasons and any evidence for this finding.

Our commitment to you

- We will only change the debit amount (under your direct debit arrangement) on receipt of a valid instruction.
- We will only vary the terms of this agreement after giving you 14 days notice in writing.
- We reserve the right to cancel your direct debit arrangement if two or more consecutive debits are returned unpaid by your nominated financial institution. Standard government fees, duties and bank charges (including dishonour fees and conversion costs) may apply to investments. These are paid by the Investor.
- We will keep all information relating to your nominated financial institution account private and confidential, except to the extent that you consent to those details being disclosed or the law requires otherwise. However, should you claim that a debit has been incorrectly or wrongfully made, you consent to Platinum providing your financial institution account information to a recipient bank in order to investigate and resolve your claim.

Indemnity

You indemnify Platinum against all losses, costs, damages and liability that we suffer as a result of you breaching this agreement or you providing us with an invalid, ineffective or non-binding regular investment plan (direct debit) request addressed to us or if for any other reason the instructions contained in a regular investment plan (direct debit) request by you are not or cannot be performed. This indemnity includes, without limitation, legal costs and expenses on a full indemnity basis.

This indemnity is a continuing obligation, separate and independent from your other obligations and survives termination of this agreement. It is not necessary for us to incur expense or make payment before enforcing a right of indemnity conferred by this agreement. This indemnity does not apply as a result of our fraud, negligence or breach of trust.
