

PLATINUM TRUST FUNDS

Withdrawal Form

Use this Form to make a request to withdraw (all or part of) your investment in the Platinum Trust Funds ("Funds"). The minimum withdrawal amount is A\$10,000 (per Fund) or the entire investment balance in the Fund if the withdrawal would cause your investment in the Fund / Unit Class to fall below the minimum balance of A\$10,000.

Under the Regular Investment Plan, a minimum balance of A\$5,000 is required to keep your investment in a Fund / Unit Class open.

Prior to making a decision to withdraw (all or part of) your investment you should consider the Funds' latest Product Disclosure Statement ("PDS") available at www.platinum.com.au/PlatinumSite/media/Default/pt_pds.pdf as well as the tax consequences that may arise. It is recommended that you check the tax implications with your tax adviser before making a withdrawal.

Fully exiting the Funds closes the account.
