Accordingly, this report should be read in conjunction with the financial report for the year ended 30 June 2022. In addition, reference should be made to any public pronouncements made in respect of the registered scheme during the interim reporting period.

The financial report covers Platinum International Fund (Quoted Managed Hedge Fund) as an individual entity.

The Responsible Entity of the Platinum International Fund (Quoted Managed Hedge Fund) is Platinum Investment Management Limited (ABN 25 063 565 006). The Responsible Entity's registered office is: Level 8, 7 Macquarie Place, Sydney, NSW 2000.

The interim financial report was authorised for issue on 27 February 2023 by the Directors, who have the power to amend and re-issue the interim financial report.

The Directors of Platinum Investment Management Limited (trading as Platinum Asset Management®) (ABN 25 063 565 006 AFSL 221935), the responsible entity of the Platinum International Fund (Quoted Managed Hedge Fund) (“PIXX”, the “registered scheme” or “Fund”), present their report on the registered scheme for the half-year ended 31 December 2022.

## PRINCIPAL ACTIVITIES

The Platinum International Fund (Quoted Managed Hedge Fund) (ASX code: PIXX) is an Australian registered managed investment scheme. Its units are quoted on the Australian Securities Exchange (ASX) under the ASX AQUA Rules.

PIXX is a feeder fund that primarily invests in units of the unlisted flagship International equity fund, Platinum International Fund (PIF), giving investors access to PIF's portfolio composition, portfolio managers and investment strategies. The returns of PIXX may vary from the returns of PIF's performance fee P Class due to different cash holdings and gains and losses on redemptions of PIXX units.

The principal activity of PIXX during the half-year was to invest in units of the PIF and some cash. The underlying fund, or PIF, primarily invests in the securities of companies listed on stock exchanges throughout the world, in accordance with its Product Disclosure Statement (PDS) and the Constitution.

## DIRECTORS OF THE RESPONSIBLE ENTITY

The Directors of Platinum Investment Management Limited (“PIML”) during the half-year and up to the date of this report, unless otherwise stated, were:

Andrew Clifford  
Elizabeth Norman  
Andrew Stannard

## SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

There were no significant changes in the state of affairs of the registered scheme during the half-year.

## OPERATING AND FINANCIAL REVIEW (OFR)

At 31 December 2022, PIXX's Funds Under Management (“FUM”) was \$325.67 million<sup>1</sup> (30 June 2022: \$298.09 million). The six month return for the period from 1 July 2022 to 31 December 2022 was 9.2% (1 July 2021 to 31 December 2021: negative 0.4%).<sup>2</sup> The benchmark MSCI AC World Net Index in A\$ terms for the same period was 3.7% (1 July 2021 to 31 December 2021: 9.0%). The Fund's annualised return since inception date on 12 September 2017 to 31 December 2022 was 6.3% (compound per annum), which is less than the MSCI which returned 9.6% since inception<sup>3</sup>.

As at 31 December 2022, PIXX's Net Asset Value per unit was \$4.7752 (30 June 2022: \$4.3740 after the 30 June 2022 distribution).

In respect to the positioning of the investment portfolio, the Investment Manager recently noted that: “PIF's net invested position increased from 55% to 63% over the (December) quarter, predominantly reflecting a reduction in short position from 24% to 17%.”

<sup>1</sup> The reason for the variance between the FUM figure of \$325.67million and the net assets figure of \$325.1 million reported in the financial statements relates to the fact that net assets were calculated in accordance with the Australian Accounting Standards and are valued using the redemption price as at 31 December 2022.

<sup>2</sup> PIXX's returns are calculated using PIXX's net asset value per unit (which does not include the buy/sell spread) and represent PIXX's combined income and capital returns over the specified period. Returns are net of accrued fees and costs, are pre-tax, and assume the reinvestment of distributions.

<sup>3</sup> For the purpose of calculating the “since inception date” returns of the MSCI index, PIXX's inception date (12 September 2017) is used. Index returns assume the reinvestment of dividends from constituent companies, but do not reflect fees and expenses. Platinum does not invest by reference to the weightings of any index or benchmark, and index returns are provided as a reference only. PIXX's underlying assets are chosen through Platinum's bottom-up investment process and, as a result, PIXX's holdings may vary considerably to the make-up of the index.

The investment returns shown are historical and no warranty can be given for future performance. Historical performance is not a reliable indicator of future performance. Due to the volatility of the underlying assets of PIXX and other risk factors associated with investing, investment returns can be negative, particularly in the short-term.

**NOTE 2. BASIS OF PREPARATION OF THE INTERIM FINANCIAL REPORT**

This financial report for the interim reporting period ended 31 December 2022 has been prepared in accordance with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Act 2001. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34: Interim Financial Reporting.

Accordingly, this report is to be read in conjunction with the financial report for the year ended 30 June 2022 and any public pronouncements made in respect of the registered scheme during the interim reporting period.

The accounting policies are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated. Comparative information has been reclassified, where appropriate, to enhance comparability.

*New Accounting Standards and Interpretations*

There are no new standards, interpretations, or amendments to existing standards that are effective for the first time for the financial year beginning 1 July 2022 that have a material impact on the amounts recognised in the prior periods, or will affect the current or future periods.

Closing balance	68,199,732	325,178	68,397,114	353,465

**NOTE 5. FAIR VALUE HIERARCHY**

AASB 13: *Fair Value Measurement* requires the registered scheme to classify its assets held at fair value based on the following fair value hierarchy model:

- (a) quoted prices (unadjusted) in active markets for identical assets (level 1);
- (b) inputs other than quoted prices included within level 1 that are observable for the asset either directly (as prices) or indirectly (derived from prices) (level 2); and
- (c) inputs for the assets that are not based on observable market data (unobservable inputs) (level 3).

The registered scheme measures and recognises the units held in the Platinum International Fund, as a fair value investment, pursuant to AASB 13, on a recurring basis.

As can be seen from the table below, the registered scheme has no assets that are classified as level 3. For all other financial assets, the carrying value approximates fair value.

31 DECEMBER 2022	LEVEL 1 \$'000	LEVEL 2 \$'000	LEVEL 3 \$'000	TOTAL \$'000
<b>Financial assets</b>				
Units held in the PIF	-	324,006	-	324,006
<b>Total of financial assets</b>	-	324,006	-	324,006

30 JUNE 2022	LEVEL 1 \$'000	LEVEL 2 \$'000	LEVEL 3 \$'000	TOTAL \$'000
<b>Financial assets</b>				
Units held in the PIF	-	299,902	-	299,902
<b>Total of financial assets</b>	-	299,902	-	299,902

The registered scheme's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period. There were no transfers between levels 1 and 2 for any assets measured at fair value during the half-year.

*Valuation techniques used to classify assets as level 2*

The units held in the Platinum International Fund have been classified as level 2, because these units are valued based on the 31 December 2022 redemption price, which is based on the underlying value of the net assets of Platinum International Fund, which includes both observable and unobservable asset balances.

**NOTE 6. DISTRIBUTION TO UNITHOLDERS**

The distribution paid during the half-year in cents per unit ("CPU") was as follows:

	HALF-YEAR ENDED 31 DEC 2022 CPU	HALF-YEAR ENDED 31 DEC 2022 NET ASSETS \$'000	HALF-YEAR ENDED 31 DEC 2021 CPU	HALF-YEAR ENDED 31 DEC 2021 NET ASSETS \$'000
30 June gross distribution paid during the half-year	53.11	35,836	8.30	5,791
	53.11	35,836	8.30	5,791

The 30 June 2022 gross distribution payable to investors was \$35,836,000 (2021: \$5,791,000) of which \$33,179,000 (2021: \$5,206,000) was paid out in cash, with the difference of \$2,657,000 (2021: \$585,000) being reinvested by investors into additional units.

## **NOTE 8. CONTINGENT ASSETS, LIABILITIES AND COMMITMENTS**

The registered scheme has no contingent assets, liabilities or commitments as at 31 December 2022.

In the opinion of the Directors of the responsible entity, the financial statements and notes of the Platinum International Fund (Quoted Managed Hedge Fund) ('the registered scheme') as set out on pages 5 to 11:

## Report on the half-year financial report

### Conclusion

We have reviewed the half-year financial report of Platinum International Fund (Quoted Managed Hedge Fund) (the Registered Scheme) which comprises the statement of financial position as at 31 December 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, significant accounting policies and explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Platinum International Fund (Quoted Managed Hedge Fund) does not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Registered Scheme's financial position as at 31 December 2022 and of its performance for the half-year ended on that date
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

### Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the half-year financial report* section of our report.

We are independent of the Registered Scheme in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

### Responsibilities of the directors of Platinum Investment Management Limited (the Responsible Entity) for the half-year financial report

The directors of the Responsible Entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors of the Responsible Entity determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

### **Auditor's responsibilities for the review of the half-year financial report**

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Registered Scheme's financial position as at 31 December 2022 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
