The unaudited **pre-tax** net tangible assets (**pre-tax NTA**) of Platinum Capital Limited (**PMC**) as at 30 November 2016 was \$1.5068 per share (31/10/16: \$1.4858).

The unaudited post-tax net tangible assets (**post-tax NTA**) of PMC as at 30 November 2016 was \$1.4867 per share (31/10/16: \$1.4719).

The NTA was calculated on a liquidation basis using the last sale price to value investments. Investments were stated at net market value after provision for tax on **both** realised and unrealised income and gains.

At 30 November 2016, the PMC share price was \$1.57.

The 30 November 2016 monthly update for PMC is available on the Platinum website at: www.platinum.com.au/Our-Funds/Platinum-Capital-Limited/#MonthlyUpdates
