You can obtain a copy of the PDS from Platinum's website www.platinum.com.au, or by contacting Investor Services on 1300 726 700 (Australian investors only), 0800 700 726 (New Zealand investors only), or 02 9255 7500, or via invest@platinum.com.au.

DISCLAIMERS: The information presented in this Fact Sheet is general information only and not intended to be financial product advice. It has not been prepared taking into account any particular investor's or class of investor's investment objectives, financial situation or needs, and should not be used as the basis for making investment, financial or other decisions. You should read the entire PDS and consider your particular investment objectives, financial situation and needs prior to making any investment decision to invest (or divest) in the Fund. You should also obtain a professional advice prior to making an investment decision. Some numerical figures in this Fact Sheet have been subject to rounding adjustments.

No company and the directors in the Platinum Group® guarantee the performance of the Fund, the repayment of capital, or the payment of income. To the extent permitted by law, no liability is accepted by any company of the Platinum Group and their directors for any loss or damage as a result of any reliance on this information.

1. Investment returns are calculated using the Fund's unit price and represent the combined income and capital return for the specified period. They are net of fees and costs (excluding the buy-sell spread and any investment performance fee payable), pre-tax, and assume the reinvestment of distributions. The investment returns shown are historical and no warranty can be given for future performance. You should be aware that historical performance is not a reliable indicator of future performance. Due to the volatility of underlying assets of the Fund and other risk factors associated with investing, investment returns can be negative (particularly in the short-term).

2. The investment returns depicted in this graph are cumulative on A\$20,000 invested in the Fund since inception relative to the MSCI All Country World Net Index in A\$ ("Index"). The investment returns are calculated using the Fund's unit price. They are net of fees and costs (excluding the buy-sell spread and any investment performance fee payable), pre-tax and assume the reinvestment of distributions. It should be noted that Platinum does not invest by reference to the weightings of the Index. Underlying assets are chosen through Platinum's individual stock selection process and as a result holdings will vary considerably to the make-up of the Index. The Index is provided as a reference only.

3. The "Long %" represents the exposure of physical holdings and long stock derivatives. The "Net %" represents the exposure of physical holdings and both long and short derivatives. The "Currency %" represents the currency exposure for the Fund's Portfolio, taking into account currency hedging.

4. Top Ten positions shows the Fund's top long share exposure positions. Long derivative exposures are included, however, short derivative exposures are not.
