Accordingly, the Board has established this Continuous Disclosure Policy, which is applicable to the Directors of the Company and staff of Platinum Investment Management Limited (the "Investment Manager") appointed by the Company.

This Policy is managed by the Company Secretary, who is primarily responsible for coordinating the disclosure of information to regulators and shareholders on behalf of the Company, in consultation with Platinum's Chief Compliance Officer and the Board.

This Policy will be reviewed periodically to ensure that it reflects current legislative and regulatory requirements.

The Company's shares are traded under the ASX Code of PAI.

A. DISCLOSURE PRINCIPLE

Subject to the exceptions in Listing Rule 3.1A, the Company will immediately disclose to the ASX any information concerning the Company that a reasonable person would expect to have a *material* effect on the price or value of PAI shares [Listing Rule 3.1].

- *a material change in accounting policy adopted by the Company;*
- *a rating applied by a rating agency to the Company or its securities, and any change in such a rating; and*
- *a significant change in market or regulatory conditions which is likely to have a material effect on the Company's results*

B. EXCEPTION TO DISCLOSURE PRINCIPLE

The Company is not required to disclose information where:

(c) a reasonable person would not expect the information to be disclosed.

Each of (a), (b), and (c) must be met for the information to be exempt from disclosure [Listing Rule 3.1A].

However, where the ASX considers that there is or is likely to be a false market on PAI shares (for example, because of press speculation or market rumour), then the ASX may direct the Company to make a clarifying statement [Listing Rule 3.1B].

C. NOTIFICATION OF INFORMATION

The Company Secretary has been appointed by the Board to be responsible for all communications with the ASX [Listing Rule 12.6].

A Director, or an employee of Investment Manager, is required to immediately advise the Company Secretary on becoming aware of any information that may affect the price or value of PAI shares.

The Company Secretary will review the information and determine, in consultation with the CEO of the Investment Manager and member(s) of the Board, whether disclosure to the market is required under the Disclosure Principle (Section A) or an Exception to the Disclosure Principle applies (Section B).

The Company Secretary will coordinate any disclosure to the market through the ASX. Following confirmation of receipt from the ASX, the Company Secretary will place the information release on the Company's website.

The Company will not comment on rumours or market speculation, unless required to do so by law or the ASX.

F. TRADING HALTS

The Company may request a trading halt from the ASX to prevent trading in PAI shares by an inefficient and uninformed market.

The Company Secretary is delegated by the Board to manage the process of seeking a trading halt. The Company Secretary has the authority to request a trading halt after first attempting to contact either the Board Chair [or the CEO of the Investment Manager]. Formal Board approval is not required so as not to delay informing the market.
