DRAFT CLASS RULING FOR THE PROPOSED RESTRUCTURE OF PLATINUM ASIA INVESTMENTS LIMITED (ASX:PAI)

We refer to the proposed restructure of Platinum Asia Investments Limited (ASX:PAI), via a scheme of arrangement under Part 5.1 of the Corporations Act, that will allow shareholders to exchange their current investment in the Company's ASX listed shares (**Shares**) for units in Platinum Asia Fund Complex ETF (ARSN 127 328 563) (ASX: PAXX) (**Fund**), an active ETF managed by Platinum, employing largely the same investment strategy as the Company (**Scheme**).

The Company previously sought a class ruling from the Australian Taxation Office (**ATO**) to confirm the key taxation implications of the Scheme for shareholders (**ATO Class Ruling**). The Company is pleased to advise it has now received a draft of the ATO Class Ruling specific to the Scheme.

A summary of the main Australian tax consequences of the Scheme will be provided in the Scheme Booklet, which Shareholders are expected to receive in May 2025

The draft ATO Class Ruling is not binding on the ATO and only the final ATO Class Ruling can be relied on by shareholders. The final ATO Class Ruling will be published www.ato.gov.au. The final ATO Class Ruling will not be issued by the ATO unless and until the Scheme is implemented. As at the date of this announcement, implementation of the Scheme remains subject to a number of conditions including shareholder and Court approval.

This announcement has been authorised for release to the ASX by the Board of the Company.
