Platinum Asset Management Limited Announces On-Market Share Buy-Back

Platinum Asset Management Limited (ASX code: PTM) today announced its intention to extend its on-market share buy-back for up to 10 per cent of PTM's issued share capital for a further period of up to 12 months.

The purpose of extending the share buy-back period and therefore the notice, is to enable PTM, as part of its ongoing capital management policy, to buy-back its shares (without having to lodge a new notice at least 14 days prior to any proposed buy-back transaction) should the PTM share price trade at a significant discount to its underlying value. No target price has been set.

The Board of PTM consider that the share buy-back program is in the interests of all existing shareholders.

PTM has appointed Credit Suisse Equities (Australia) Limited to act as its broker.

Any buy-back will be funded from PTM's existing cash flows.

An Appendix 3C in respect of the on-market share buy-back is attached.
