Previous corresponding period – half-year ended	31 December 2023
ABN	13 050 064 287

## RESULTS FOR ANNOUNCEMENT TO THE MARKET

This announcement to the market for the Platinum Asset Management Limited Consolidated Group should be read in conjunction with the attached 31 December 2024 Interim Financial Report and the 30 June 2024 Annual Financial Report.

	% CHANGE	31 DEC 2024 \$A'000	31 DEC 2023 \$A'000
Total revenue and other income	-23%	<b>76,631</b>	99,784
Profit from ordinary activities after income tax	-55%	<b>15,934</b>	35,633
Operating profit attributable to members	-55%	<b>15,946</b>	35,703
Basic EPS (cents per share)		<b>2.85 cps</b>	6.29 cps
Diluted EPS (cents per share)		<b>2.74 cps</b>	6.13 cps

FUM at 31 December 2024 was \$11.1 billion and this represented a decrease of 15% from the 30 June 2024 closing FUM of \$13.0 billion. The change in FUM was driven by net outflows of \$2.5 billion and positive investment returns of \$589 million during the half-year. Average FUM for the six months to 31 December 2024 was \$12.0 billion, which was 26% lower than the average FUM of \$16.2 billion for the previous corresponding half-year.

The Group's statutory operating profit attributable to members was \$15.9 million for the half-year ended 31 December 2024 (31 December 2023: \$35.7 million). The main cause of the decrease in profit was a \$23.0 million decrease in management fees, primarily due to a decrease in average FUM.

Adjusted operating profit before tax, management's preferred measure of profit, for the six months to 31 December 2024 fell by 26% to \$35.6 million (31 December 2023: \$48.5 million) due to a \$23.0 million decrease in total fee revenue being largely offset by the \$8.6 million decrease in adjusted expenses.

The following table summarises the Group's profitability over the past two half years, showing the six months to 31 December 2023 reported statutory numbers against the six months to 31 December 2024 adjusted numbers to separately disclose the impact of the turnaround program implementation costs:

The change in FUM was driven by net outflows of \$2.5 billion and positive investment returns of \$589 million during the half-year. ## OPERATING AND FINANCIAL REVIEW (CONTINUED)

The following table summarises the Group's profitability over the past two half years, showing the six months to 31 December 2023 reported statutory numbers against the six months to 31 December 2024 adjusted numbers to separately disclose the impact of the turnaround program implementation costs:

	6 MONTHS TO 31 DECEMBER 2024 \$'000	6 MONTHS TO 31 DECEMBER 2023 \$'000
Management fees	69,371	92,380
Performance fees	-	-
<b>Total revenue</b>	<b>69,371</b>	<b>92,380</b>
Adjusted expenses <sup>1</sup>	(39,482)	(48,132)
<b>Adjusted EBIT<sup>2</sup></b>	<b>29,889</b>	<b>44,248</b>
<b>Adjusted EBIT margin %</b>	<b>43%</b>	<b>48%</b>
Interest income	5,757	4,222
<b>Adjusted operating profit before tax<sup>3</sup></b>	<b>35,646</b>	<b>48,470</b>
Other income	1,503	3,182
Turnaround program implementation costs	(9,599)	-
<b>Statutory net profit before tax</b>	<b>27,550</b>	<b>51,652</b>
Income tax expense	(11,616)	(16,019)
<b>Statutory net profit after tax</b>	<b>15,934</b>	<b>35,633</b>
Basic earnings per share (cents per share)	2.85	6.29
Adjusted EBIT per share (cents per share)	5.34	7.80

The Group's statutory profit before tax was \$27.6 million for the half-year ended 31 December 2024 (31 December 2023: \$51.7 million). The main cause of the decrease in profit was a \$23.0 million decrease in management fees due primarily to a decrease in average FUM.

Adjusted expenses, which excludes turnaround program implementation costs, decreased \$8.6 million to \$39.5 million in the half-year ended 31 December 2024. The decrease in adjusted expenses reflects a decrease in employee expenses due to lower compensation costs as well as reduced marketing and fund administration expenditure.

The Adjusted Earnings Before Interest and Tax ("adjusted EBIT") profit margin fell, from 48% to 43%, due to the \$23 million decrease in total fee revenue being largely offset by the \$8.6 million decrease in adjusted expenses.

<sup>1</sup> Adjusted expenses is total expenses excluding the turnaround program implementation costs.

<sup>2</sup> Adjusted EBIT is calculated as total fee revenue (which excludes interest income and other income) less adjusted expenses.

<sup>3</sup> Adjusted operating profit before tax is the sum of adjusted EBIT and interest income.

## OPERATING AND FINANCIAL REVIEW (CONTINUED)

Non-IFRS financial measures are measures that are not defined or specified under IFRS. The Directors believe non-IFRS financial measures such as adjusted EBIT and adjusted expenses assist in providing additional meaningful information about Platinum's performance by adjusting for non-recurring items, such as turnaround program implementation costs, which affect the Group's statutory financial results. These financial measures should be viewed in addition to, and not as a substitute for, the Group's statutory results.

## DIVIDENDS

The Company has limited capital requirements and generally expects that most, if not all, future profits will continue to be distributed by way of dividends, subject to ongoing capital requirements.

Given that the basic earnings per share for the 2025 interim period was 2.85 cents per share, on 25 February 2025, the Directors determined a 2025 interim fully-franked dividend of 1.5 cents per share with a record date of 7 March 2025 and payable to shareholders on 21 March 2025.

A special fully franked dividend of 20.0 cents per share (\$116,433,423 including dividend paid on treasury shares) was paid on 31 December 2024.

The 2024 interim fully-franked dividend for the previous corresponding period was 6 cents per share.

## EVENTS AFTER THE REPORTING PERIOD

On 25 February 2025, the following occurred:

- The Company announced a number of changes to PIML's investment team which are to take effect from 3 March 2025. Firstly, Ted Alexander will be joining Platinum as the Portfolio Manager for Platinum's global strategies, including as Portfolio Manager of the Platinum International Fund. James Simpson, a founder and ex-Portfolio Manager of Platinum, who joined the Board of the Company in November 2024, has agreed to take up an executive role within Platinum and will Chair Platinum's Investment Oversight Group ("IOG"), providing guidance and mentoring to the investment team. To support this transition, Andrew Clifford will assume an investment mentorship role as a member of the IOG alongside James. Andrew Clifford and Clay Smolinski will step down from their global portfolio management responsibilities and Co-Chief Investment Officer roles;
- The Board approved amendments to the Chief Executive Officer's remuneration; and
- The Board approved the design principles of a new long-term incentive plan for key management personnel which will be in place for financial year 2024/2025. Performance rights issued under the plan will be hurdled and subject to two measures specifically linked to turnaround objectives, namely, a cumulative profit measure and an investment performance measure, as well as a third shareholder-alignment measure being relative total shareholder return. These hurdles will be measured over a three year period. Further details in relation to the plan will be included in this year's remuneration report.

Apart from the events noted above and the dividend determined on 25 February 2025, no other matter or circumstance has arisen since 31 December 2024 that has significantly affected, or may significantly affect the Group's operations, the results of those operations, or the Group's state of affairs in future financial years.

## NOTE 8. FAIR VALUE MEASUREMENT

### Fair value hierarchy

AASB 13: *Fair Value Measurement* requires the consolidated entity to classify those assets measured at fair value using the following fair value hierarchy model:

- (i) quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- (ii) inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (as prices) or indirectly (derived from prices) (level 2); and
- (iii) inputs for the assets or liabilities that are not based on observable market data (unobservable inputs) (level 3).

The investment in PAI may not be measured at fair value because it is classified as an equity investment in associate. If it was to be measured at fair value, PAI would be classified as level 1. Further details of the fair value of investments in associates is provided in Note 4.

The following table analyses within the fair value hierarchy model, the consolidated entity's assets and liabilities, measured or disclosed at fair value, using the three-level hierarchy model at 31 December 2024 and 30 June 2024.

31 DECEMBER 2024	LEVEL 1 \$'000	LEVEL 2 \$'000	LEVEL 3 \$'000	TOTAL \$'000
<b>Financial assets</b>				
Equity securities held by wholly owned seed funds	12,898	283	-	13,181
Unlisted shares	-	-	6,168	6,168
Platinum Trust fund investments	-	232	-	232
	<b>12,898</b>	<b>515</b>	<b>6,168</b>	<b>19,581</b>
<b>30 JUNE 2024</b>	<b>LEVEL 1 \$'000</b>	<b>LEVEL 2 \$'000</b>	<b>LEVEL 3 \$'000</b>	<b>TOTAL \$'000</b>
<b>Financial assets</b>				
Equity securities held by wholly owned seed funds	26,860	103	-	26,963
Unlisted shares	-	-	6,237	6,237
Platinum Trust fund investments	-	214	-	214
	<b>26,860</b>	<b>317</b>	<b>6,237</b>	<b>33,414</b>

The Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

### Valuation techniques used to classify assets as level 2

The direct investments in the Platinum Trust Funds are valued using their respective net asset values (adjusted for the buy-sell spread) and include the impact of the 30 June distribution. Accordingly, management has assessed the fair value investments as being level 2 investments.

### Valuation techniques used to classify assets as level 3

Level 3 financial assets consist of:

- Investment in unlisted equity investment. The investment is initially recognised at fair value, being the consideration given. After initial recognition, the shareholding continues to be measured at fair value based on the recent transaction price between independent parties.

These assets are valued in accordance with a valuation policy established by PIML as the investment manager. Level 3 assets were 3.1% of net assets at 31 December 2024 (30 June 2024: 2.0%). Further details related to the level 3 securities are not disclosed, as the amounts are not material to the Group.

**NOTE 9. INCOME TAX**

The income tax expense attributable to profit comprises:

	31 DEC 2024 \$'000	31 DEC 2023 \$'000
Current tax*	10,741	16,598
Deferred tax	875	(579)
<b>Income tax expense</b>	<b>11,616</b>	<b>16,019</b>

\* Current tax includes prior year under/overs and other adjustments of \$1,449,000 (31 December 2023: \$15,000).

**NOTE 10. CONTINGENT ASSETS, LIABILITIES AND COMMITMENTS**

The Group has no commitments for significant capital expenditure. No contingent assets or liabilities exist at 31 December 2024 and 30 June 2024.

**NOTE 11. EVENTS AFTER THE REPORTING PERIOD**

On 25 February 2025, the following occurred:

- The Company announced a number of changes to PIML's investment team which are to take effect from 3 March 2025. Firstly, Ted Alexander will be joining Platinum as the Portfolio Manager for Platinum's global strategies, including as Portfolio Manager of the Platinum International Fund. James Simpson, a founder and ex-Portfolio Manager of Platinum, who joined the Board of the Company in November 2024, has agreed to take up an executive role within Platinum and will Chair Platinum's Investment Oversight Group ("IOG"), providing guidance and mentoring to the investment team. To support this transition, Andrew Clifford will assume an investment mentorship role as a member of the IOG alongside James. Andrew Clifford and Clay Smolinski will step down from their global portfolio management responsibilities and Co-Chief Investment Officer roles;
- The Board approved amendments to the Chief Executive Officer's remuneration; and
- The Board approved the design principles of a new long-term incentive plan for key management personnel which will be in place for financial year 2024/2025. Performance rights issued under the plan will be hurdled and subject to two measures specifically linked to turnaround objectives, namely, a cumulative profit measure and an investment performance measure, as well as a third shareholder-alignment measure being relative total shareholder return. These hurdles will be measured over a three year period. Further details in relation to the plan will be included in this year's remuneration report.

Apart from the events noted above and the dividend determined on 25 February 2025, as disclosed in Note 5, no other matter or circumstance has arisen since 31 December 2024 that has significantly affected, or may significantly affect the Group's operations, the results of those operations, or the Group's state of affairs in future financial years.

In the Directors' opinion:

- the attached financial statements and notes comply with the *Corporations Act 2001*, Australian Accounting Standard AASB 134: *Interim Financial Reporting*, the *Corporations Regulations 2001* and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the consolidated entity's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of Directors made pursuant to section 303(5)(a) of the *Corporations Act 2001*.

## **Independent auditor's review report to the members of Platinum Asset Management Limited**

### **Conclusion**

We have reviewed the accompanying half-year financial report of Platinum Asset Management Limited (the Company) and its subsidiaries (collectively the Group), which comprises the consolidated statement of financial position as at 31 December 2024, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Group does not comply with the *Corporations Act 2001*, including:

- a. Giving a true and fair view of the consolidated financial position of the Group as at 31 December 2024 and of its consolidated financial performance for the half-year ended on that date; and
- b. Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

### **Basis for conclusion**

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the half-year financial report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

### **Directors' responsibilities for the half-year financial report**

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

### **Auditor's responsibilities for the review of the half-year financial report**

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
