| Management fees and costs The fees and costs of managing your investment. | Estimated management fees and costs per annum are: | The estimated management fees and costs of the Fund consist of: |
| Platinum Asia Fund Complex ETF (PAXX) | 1.26% | Investment management fee: ¹ No investment management fees are charged directly to PAXX. However, investment management fees are charged indirectly to PAXX through their investment in the Underlying Fund and therefore reflected in the NAV per Unit of PAXX. The investment management fee for the Underlying Fund is calculated as 1.10% per annum of the Underlying Fund's NAV. This fee is accrued daily and reflected in the Underlying Fund's unit price. It is paid monthly to Platinum out of the Underlying Fund's assets. Estimated indirect costs: ² No indirect costs are incurred directly by PAXX. However, indirect costs are incurred indirectly by PAXX through their investments in the Underlying Fund, and therefore reflected in the NAV per Unit of PAXX. Estimated indirect costs for an Underlying Fund reflect the costs incurred through the Underlying Fund's investment trading activities in OTC derivatives (other than for hedging purposes) and exchange traded funds. They are deducted from the assets of the Underlying Fund as and when incurred. |
| Performance fees Amounts deducted from your investment in relation to the performance of the product. | Estimated performance fees ³ per annum are: | Investment performance fee |
| Platinum Asia Fund Complex ETF (PAXX) | 0.22% | No investment performance fee is charged directly to PAXX. However, any investment performance fee that is charged to the Underlying Funds will be indirectly charged to PAXX through their investments in the Underlying Fund, and therefore reflected in the NAV per Unit of PAXX. An investment performance fee is payable by the Underlying Fund where the Underlying Fund's return exceeds its hurdle return ⁴ . This fee is calculated as 15% of the amount by which the Underlying Fund's return (after the deduction of investment management fees and excluding any accrued investment performance fees) exceeds its hurdle return. The fee is accrued daily and reflected in the Underlying Fund's unit price. If payable, this will be paid to Platinum from the assets of the Underlying Fund semi-annually. |
