The unaudited **pre-tax** net tangible assets (**pre-tax NTA**) of Platinum Capital Limited (**PMC**) as at 31 May 2016 was \$1.5180 per share (30/4/16: \$1.4737).

The unaudited post-tax net tangible assets (**post-tax NTA**) of PMC as at 31 May 2016 was \$1.5032 per share (30/4/16: \$1.4715).

The NTA was calculated on a liquidation basis using the last sale price to value investments. Investments were stated at net market value after provision for tax on **both** realised and unrealised income and gains.

At 31 May 2016, the PMC share price was \$1.635.

The 31 May 2016 monthly update for PMC is available on the Platinum website at: www.platinum.com.au/Our-Funds/Platinum-Capital-Limited/#MonthlyUpdates
