1. Investment returns are calculated using the Fund's unit price and represent the combined income and capital return for the specified period. They are net of fees and costs (excluding the buy-sell spread and any investment performance fee payable), pre-tax, and assume the reinvestment of distributions. The investment returns shown are historical and no warranty can be given for future performance

Splead and any investment performance lee payable, pre-tax, and assume the investment of ustrabutions. The investment returns shown are instolical and no warrainty can be given for future performance. You should be aware that historical performance is not a reliable indicator of future performance. Due to the volatility of underlying assets of the Fund and other risk factors associated with investing, investment returns can be negative (particularly in the short-term). 2. The investment returns depicted in this graph are cumulative on A\$20,000 invested in the Fund since inception relative to the MSCI All Country World Net Index in A\$. The investment returns are calculated using the Fund's unit price. They are net of fees and costs (excluding the buy-sell spread and any investment performance fee payable), pre-tax and assume the reinvestment of distributions. It should be noted that Platinum does not invest by reference to the weightings of the Index. Underlying assets are chosen through Platinum's individual stock selection process and as a result holdings will vary considerably to the make-up (the lower function of the selection of the lower function). of the Index. The Index is provided as a reference only. 3. The "Long %" represents the exposure of physical holdings and long stock derivatives. The "Net %" represents the exposure of physical holdings and both long and short derivatives The "Currency %" represents the currency exposure for the Fund's Portfolio.

A top ten positions shows the Fund's top long share exposure positions. Long derivative exposures are included, however, short derivative exposures are not. Platinum Investment Management Limited ABN 25 063 565 006 AFSL 221935, trading as Platinum Asset Management ("Platinum") is the responsible entity and issuer of units in the Platinum Unhedged Fund (the "Fund"). The Platinum Trust Product Disclosure Statement No. 9 and Supplementary PDS (together "PDS") provides details about the Fund. You can obtain a copy of the PDS from Platinum's website www.platinum.com.au, or by contacting Investor Services on 1300 726 700 (Australian investors only), 0800 700 726 (New Zealand investors only), or 02 9255 7500, or via invest@platinum.com.au.

Before making any investment decision you need to consider (with your financial adviser) your particular investment needs, objectives and financial circumstances. You should refer to the PDS when deciding to acquire, or continue to hold, units in the Fund.
